Netherlands, Baarn 16-7-2014

'Visiting a garden' is dedicated to Ineke van Meurs who loves gardens.

This photo book is related to Cantonspark in Baarn Netherlands. Cantonspark is a public garden. The photo book gives a impression of Cantonspark and its colourful and peaceful impression in summertime.

A photo book with no words to give it your own thoughts.

The photo journey starts in the centre of Baarn before entering Cantonspark.

Herman Fridsma, 2014
